About the Cover – Pictured on the cover is the baptistery area of St. Patrick Church which was part of the 2004 renovation. Baptisteries are generally located close to the entrance of the church (in ancient days they formed a separate building) which reinforces the symbolism of a person's entrance into New Life. Our baptismal font is an octagonal shape and its wood is of the same design as the ambo and confessional. The eight sides of the font are of ancient tradition remarked upon by St. Ambrose and St. Augustine who each wrote of Christ rising on the eighth day, breaking the bondage of death and raising the dead into New Life. The interior bowl is of black corian with a marble cap of Verde Green marble. The water of the font may be heated and is filtered with a pump to provide flowing waters, symbolic of the gift of life received in baptism. Accent lighting on the base was a gift of David Leach who crafted the font. The baptistery reredos (background) incorporates wood from an older confessional. The metallic peacock, a symbol of resurrection, was originally part of a gate and fenced enclosure that once defined the baptistery in the rear of the church. The circular floor tile work that surrounds the font today serves a similar purpose in defining the sacred space of where Christians are born. Two icons, "The Baptism of Christ" and "Pentecost" were added in 2007. The placement of the confessional opposite the baptistery provides a balance of design and sacramental meaning. Over the course of time, as an outgrowth of our 150th anniversary year, we hope to feature other sacred, artistic, and devotional works within the church that give us a foretaste of heaven.

ST. PATRICK CHURCH NEWS

2017 Bishop's Annual Appeal

Living the Gospel in Faith, Hope and Charity

We would like to thank all the parishioners who have already pledged their gift to the 2017 Bishop's Annual Appeal. The amount pledged to date is \$63,462.00 from 128 envelopes received. If you have not yet made your commitment, pledge envelopes are available in the pews. We hope to realize our parish goal with 100% participation. Fr. Ghiloni asks that each household consider a gift of at least \$50 a month for the next 10 months or a one-time donation if that is your preference. No gift is too small. Our parish goal is \$38,204.00 and each dollar raised over this amount comes back to us (diocesan tax free) for the remaining debt of the Parish Activity and Recreation Center (PARC).

LIFE IN THE TRINITY

The name of the Trinity is, without a doubt, the most familiar sacred name to us. We speak it every time we make the sign of the cross, and it forms the heart of our Creed. Trinity Sunday is a good day, however, to stop and reflect on the unique role of each of the three persons we name so often in the Trinity and in our own lives. When we celebrate the Eucharist on Sunday, we come together as the Body of Christ through our baptism, and through the power of the Holy Spirit we offer the whole prayer of the Mass to God the Father. This presence of the Trinity does not stop when we leave church on Sunday. We are—always and everywhere—members of the Body, and every thing we do as members of that Body is empowered by the Holy Spirit, all of it offered to the glory of our loving Father.

Take a moment each day this week to reflect on how the persons of the Trinity were present to you during the day, and how other people came to see the presence of the Trinity in your witness to the Good News.
