“And I understood that the greatest attribute of God is love and mercy. It unites the creature with the Creator. This immense love and abyss of mercy are made known in the incarnation of the Word and in the Redemption (of humanity), and it is here that I saw this as the greatest of all God’s attributes.”

ST. PATRICK SCHOOL NEWS

LED Lamp Conversion Grant Update – With grateful acknowledgement to the Catholic Foundation for its grant to St. Patrick School, we are pleased to report that we are nearing the end of the conversion process. We are now in the process of replacing the lights in the Parish Activity and Recreation Center (PARC) gymnasium. Completion of this phase of the project will mark its closure. A total of 144 fluorescent lamps will be replaced in the PARC. We have already noted a substantial decrease in the number of kilowatt hours (KWH) consumed. The most recent electric bill reflected a decrease of nearly 4,000 KWH over the same period one year ago. This project will result in a substantial decrease in the electric energy consumption at our school and subsequently lower operational costs. We thank the Catholic Foundation and its many generous donors for making this project possible.

TREASURES FROM OUR TRADITION

Today was once called in Latin "*Dominica in albis*," or "Sunday in White," because the church was full of newly baptized Christians wearing their white baptismal garments. Another old title, best forgotten, is "Low Sunday." There's nothing low about this festive Sunday in Easter, the eighth day since the first "Alleluia" rang out. In Christian tradition, the number eight is a symbol of fulfillment, transition, breaking through the seven-day rhythm of life to a new way of being. That is why many baptismal fonts have eight sides. The greatest feasts of our calendar are always extended for eight days, called an "octave." In a way, this means that this first week of Easter is really considered to be one great day. This octave day of Easter sees the best features of Easter still vibrant: joyful alleluias, lush spring flowers everywhere, sprinkling with water, and a lavish table where the Lord gives us himself as bread and wine.

For Orthodox Christians, today is the Easter feast, since their tradition requires that the Christian Passover cannot begin until the days of the Jewish Passover are ended. —James Field, Copyright © J. S. Paluch Co.
