**About the Cover** – Pictured on the bulletin cover is the exterior of the Reconciliation Room here in St. Patrick Church. Originally, in the transepts of the church, there were two confessionals as they were (and still are) called in which the Sacrament of Reconciliation is celebrated. This sacrament is also called Penance and Confession. Today's Reconciliation Room incorporates one of the two original confessionals. Sometime during the 1990s, the confessional on St. Joseph's side of the church was dismantled for storage leaving the one on Blessed Virgin Mary's side in use. During the 2004 renovations, the remaining confessional was used in the construction of the Reconciliation Room in which the sacrament may be celebrated face to face with the priest or if the penitent prefers behind a screen to preserve anonymity. The two older confessionals dated from 1911. The wood from the dismantled confessional was used to construct the St. John the Evangelist Shrine and the reredos (backdrop) of the baptistery. This confessional was a gift from Mr. and Mrs. George Killeen costing \$150. The confessional that found its way into the Reconciliation Room was a gift from Mrs. Mary White and her daughter, Mrs. M Sullivan. Over the course of time as an outgrowth of our 150<sup>th</sup> anniversary year in 2017, we hope to feature other artistic and devotional works within the church that give us a foretaste of heaven.

## TREASURES FROM OUR TRADITION

"Come away by yourselves to a deserted place and rest a while" must have been chosen for this summer season by a committee eager for a vacation. For the apostles, the promise of rest was foiled by the needs of the people who discovered their hideaway and pressed them into ministry. Some people do indeed use their vacation for ministry and mission, giving an intensity of service otherwise not possible. For most of us, vacation is a time when we can grow more aware of God's plan, and can renew the bonds of love with family and friends in times of play and leisure.

The disciples learn today that there is no place so out of the way that the life of worship and ministry is disengaged. Giving yourself to summer worship will enrich you, delight you, and give you a sense of the word of God's progress in your heart. In today's world, summer is the time when we are most acutely aware of the beauty of the world. Gratitude and wonder are fertile soils for God's word to take root and prosper. Welcome the visitor today, and resolve that when you travel, you will be faithful to Sunday worship. —James Field, Copyright © J. S. Paluch Co.
