**Second Collection: August 4/5** – Church in Latin America  
Next week, we will take up the Collection for the Church in Latin America. For many in Latin America and Caribbean, rural terrain and a lack of ministers are obstacles to practicing their faith. Your support to the collection provides lay leadership training, catechesis, priestly and religious formation, as well as other programs to help share our faith with those who long to hear the Good News of Christ.

**About the Cover** – Pictured on the bulletin cover is the exterior of the Reconciliation Room here in St. Patrick Church. Originally, in the transepts of the church, there were two confessionals as they were (and still are) called in which the Sacrament of Reconciliation is celebrated. This sacrament is also called Penance and Confession. Today's Reconciliation Room incorporates one of the two original confessionals. Sometime during the 1990s, the confessional on St. Joseph's side of the church was dismantled for storage leaving the one on Blessed Virgin Mary's side in use. During the 2004 renovations, the remaining confessional was used in the construction of the Reconciliation Room in which the sacrament may be celebrated face to face with the priest or if the penitent prefers behind a screen to preserve anonymity. The two older confessionals dated from 1911. The wood from the dismantled confessional was used to construct the St. John the Evangelist Shrine and the reredos (backdrop) of the baptistery. This confessional was a gift from Mr. and Mrs. George Killeen costing \$150. The confessional that found its way into the Reconciliation Room was a gift from Mrs. Mary White and her daughter, Mrs. M Sullivan.

Over the course of time as an outgrowth of our 150<sup>th</sup> anniversary year in 2017, we hope to feature other artistic and devotional works within the church that give us a foretaste of heaven.

## TREASURES FROM OUR TRADITION

The feeding of the five thousand (and more) by the seaside is certainly the most famous of picnics. The miracle of the loaves reminds us of the earlier miracle of the wine at Cana. Like the Cana miracle, this one begins with human initiative as the small child responds to the hunger of the crowd by offering a seemingly meager gift. What could be more appropriate for deep summer than a Gospel account of a joyful picnic with Jesus and the generosity of a child at the center?

The coming month of August has always been a time for delight in the bounty of the earth, for picnics by the sea, dinner under the stars, for porch and rooftop, for parks and beaches, and enjoying the best of local crops. August's festivals of Transfiguration and Assumption have long given Christians the best of excuses for feasting on the abundance of summer: corn, tomatoes, pesto, bowls of fresh fruit. Picnics are a sign of the welcome table of God: always room for one more, always plenty to share, always a place of laughter and story-telling and always speaking to us of our deepest longings. Don't let August pass by without a picnic! —James Field, Copyright © J. S. Paluch Co.
