A Message From Fr. Hinterschied

Epiphany is one of the richest feasts of the Church, and is also among the most misunderstood. The Greek word which we translate *epiphany* means “manifestation”, and in the Roman tradition Epiphany is strongly linked to the visit of the Magi to the Christ Child. But in the Eastern churches, Epiphany focuses not only on the visit of the Magi but on every early event by which Christ is revealed to the world as the Messiah: including also His birth, His presentation, His instruction of the elders in the Temple, His Baptism, and His first miracle at Cana.

For this reason, in many Eastern Churches, January 6th is the primary or only celebration of the Birth of Jesus, not December 25th. This helps us understand the profound link between Christmas and Epiphany and why Epiphany has always been traditionally celebrated on the 6th, this is the Twelfth Day of Christmas.

The revelation of the Son of God to the world begins with His birth, continues with the visit of the Magi and with His presentation in the Temple, is intensified at His Baptism, and finds its first miraculous expression at Cana. Though separated by years, the events at Bethlehem and Cana are truly but one continuous unfolding of the eternal plan of salvation.

Epiphany is an older feast than Christmas. The first recorded celebration was in 361, and by 385 Epiphany was celebrated for eight days, like the present Christmas and Easter Octaves and the old Octave of Pentecost. All of this points to the supreme importance of the sacred mysteries we celebrate today: by His incarnation and birth, by His revelation to the Magi and His presentation in the Temple, by His Baptism, and the miracle at Cana, the Son of Mary is shown to be “God from God, Light from Light, true God from true God.”

Catholic Conversations Presents Sean Kenney, Executive Director of the Jubilee Museum on the topic of Evangelization. Join us on Sunday, January 20 from 6:00 p.m. – 8 p.m. at Sports on Tap/Upper Room, 4030 Main Street in Hilliard 43026. According to the U.S. Conference of Catholic Bishops, evangelizing means bringing the Good News of Jesus into every human situation and seeking to convert individuals and society by the divine power of the Gospel itself. At its essence are the proclamation of salvation in Jesus Christ and the response of a person in faith, which are both works of the Spirit of God. In Matthew 28:19, our Lord enjoined the apostles, “[G]o therefore and make disciples of all nations.” In Mark 16:15, Jesus commands them, “[G]o into all the world and preach the gospel to the whole creation.” Yet Catholics aren't renowned for their evangelistic prowess or missionary zeal. This is despite the fact that the last several pontiffs, including Pope Francis, have written and spoken extensively on the subject, which has become a renewed priority for the Church. Join us to learn more about the power of evangelization and break down the barriers that are preventing us from this important mission. Registration is appreciated for seating. Visit Event Brite and search Catholic Conversations or contact Julie Naporano at julienaporano1@gmail.com.

RISE UP IN SPLENDOR

This great feast of the Epiphany of the Lord opens with these words: “Rise up in splendor, Jerusalem! Your light has come, the glory of the Lord shines upon you” (Isaiah 60:1). That reading goes on to describe a world covered with darkness. Even in that world, the prophet announces that the glory of the Lord will shine on Jerusalem. Many would agree that our world is covered with darkness—the darkness that war, terrorism, and famine bring. Today we announce that even in today's world, the Lord can scatter that darkness, if only we would welcome Epiphany's light. As we remember the visit of the magi to the manger, let us pray that one day our weary world will rise up in splendor—the splendor of peace and justice. © Copyright, J. S. Paluch Co.
